TANGENT QUATTRO MK II – ACCESS LIKE NEVER BEFORE..!

So you're sitting in your living room in Australia, listening to a radio station in Armenia. You think about a switch to a station in America, but decide to listen in on your true favourite from Austria. And you do it all within a matter of seconds. You're listening to internet radio, and the possibilities are almost endless.

Tangent Quattro is the first internet-capable member of the Tangent audio family. Connecting to the hundreds of thousands of internet radio stations is as simple as it is pleasurable.

Reproduction of the digital signals sent through cyberspace fully lives up to your expectations, with the powerful 3" up-firing driver unit performing to perfection.

So go on-line with your Tangent Quattro. Just make sure you've got a comfortable chair, because you may end up listening for a really long, enjoyable time. And you never know where you might end up.
